DIRECTIONS TO PISCATAWAY CREEK KAYAK CENTER

13600 King Charles Terrace, Fort Washington, MD 20744

FROM THE BELTWAY, Take the Indian Head Highway South (Route 210) exit, just east of the Wilson Bridge in Maryland. Travel SOUTH on Route 210 for approximately 4-5 miles and turn RIGHT onto FORT WASHINGTON ROAD. Continue approximately 3 miles, almost to the end of Fort Washington Road and turn LEFT on WARBURTON DRIVE at the sign for the Fort Washington Marina. Proceed 1 mile to the marina, following the signs.

Please make sure you turn left immediately after entering the marina. We are located at the far left (east) end of the marina. The restrooms and showers are in the large grey building to your right as you enter the marina, and we have a clean portable toilet near our building. Please park facing the water in any spot that could not accommodate a vehicle and trailer.

The Fort Washington Marina is approximately 12 minutes from the beltway and 20 minutes from Alexandria.

CHECKLIST OF WHAT TO BRING

- _____ Drinking water or sport drink(plenty)*
- _____ Snack* or lunch
- _____ Sunscreen and insect repellent*
- _____ Shoes you don't mind getting wet or muddy (aqua shoes or booties)
- _____ Hat or visor
- _____ Sunglasses with retaining strap (if you want to keep them)
- _____ Nylon shorts are preferable to cotton—they dry more quickly
- _____ T-shirt or tank top for warm weather
- _____ Swimsuit under shorts if desired
- _____ Fleece or wool and windbreaker for cooler weather
- _____ Rain gear if rain is expected
- _____ Change of clothes and a towel (just in case—leave in car)
- _____ Binoculars, camera, nature books, if desired

*These items are available at our Piscataway Creek Kayak Center.
